

SDSU Student Accounting Society

Meeting Minutes: [EDD] [EDD Presentation]

11/18/2019

Presenters:

Jimmy, Roland

Presentation:

- EDD is the largest tax branch in the state
- Collects \$54 billion in employment tax collected per year
- Has 9 different branches
 - Accounting
 - Auditing
 - Business administration
 - Communications
 - Human resources
 - Marketing
 - Public services
 - Tax compliance
- Has 16 million employers they collect taxes for in the state of California
- Jobs.ca.gov is how you apply to any government job in California, not to just EDD
 - Will take a self assessment test to see if you are eligible to apply for a specific position
- Have benefits, such as paid vacations, 401k retirement plan, pensions, work off on holidays, work life balance, etc.

Questions:

Do you need a bachelors or masters in accounting?

No, do not even need to have a degree, just need the specific classes that the position asks for.

Do you need a CPA?

No, it is not required, but will get a \$3600 bonus for receiving getting a CPA.

Do you need experience in accounting?

No, no experience is necessary specifically, but is still good to have experience elsewhere, like in customer service.

Do you ever go to court?

Yes the auditors can represent themselves in the case they reported on.

Can you apply to more than one position?

Yes you can, you can apply to as many positions that you qualify for.
