# WHAT IS SAS?

---

The mission of Student Accounting Society (SAS) is to provide SDSU students with opportunities to develop academically, professionally, and get involved with the campus community.

SAS is a premier organization for SDSU accounting majors. Originally part of the National Association of Accountants (NAA), SAS offers networking with professionals, the annual Meet the Firms recruiting event, as well as many other career development opportunities. SAS has over 150 members with many members named as active members. As an active SAS member, students are eligible to run for any of our 7 Executive Board positions and apply for a scholarship given out every semester.

Meetings take place on Mondays at 12:00PM in Park Boulevard in the Student Union on the first floor.

Free food at every meeting!

Join our fun activities outside of meetings to get to know the members and officers better!
