Meetings held through Zoom

At Meet the Firms, employers from the Big 4 and other national accounting firms will be able to meet potential candidates for their summer leadership programs and future internships. This is an opportunity for students, especially sophomores and juniors, to expand their network in the accounting profession and get on track for their professional careers. The event will be hosted by SAS, BAP, and the student organization "ALPFA". Meet the Firms will be free for all SAS members.

WHAT IS SAS?

The mission of Student Accounting Society (SAS) is to provide SDSU students with opportunities to develop academically, professionally, and get involved with the campus community.

SAS is a premier organization for SDSU accounting majors. Originally part of the National Association of Accountants (NAA), SAS offers networking with professionals, the annual Meet the Firms recruiting event, as well as many other career development opportunities. SAS has over 150 members with many members named as active members. As an active SAS member, students are eligible to run for any of our 7 Executive Board positions and apply for a scholarship given out every semester.

Meetings take place on Mondays at 12:00PM and Thursdays at 2:00PM through Zoom.
