WHAT IS SAS?

The Student Accounting Society (SAS) has a mission to provide SDSU students with opportunities to grow academically, develop professionally, and get involved with the campus community.

SAS is one of the premier organizations for SDSU accounting majors. Originally part of the National Association of Accountants (NAA), SAS offers students networking sessions with professionals, socials where members can make lasting connections, the semi-annual Meet the Firms recruiting event, as well as many other career development opportunities. As an active SAS member, students also have access to extra member-only benefits such as free food at Monday meetings. Active members are also eligible to run for any of our 7 Executive Board positions!

Meetings take place on Mondays at 12:00PM, either in Park Boulevard in the Student Union on the first floor or virtually on Zoom.

Please don't hesitate to reach out to our officers with any questions. We look forward to seeing you at our meetings and socials!
