Q&A Panel

Launch Internship
- Targeted for those of Native American, Hispanic, and African American dissent
- This internship gives an opportunity to see the integration with assurance and tax
- This is an early identification program
- EY is still accepting applications for this program

Diversified Staff Group
- Participants are given access to tax resources
- This is good for building tax knowledge

Global
- Global rotations are available for internships
- It is generally easy to transfer locations
- Global Talent Hub
  - This is a tax specific program
  - Seniors levels 1-3 have an opportunity to travel to India or Argentina to complete work at a manager level

Emerging Leaders Program
- Around 3 days long
- Its purpose is to inform the participants, and provide networking opportunities in social situations
- This is usually completed the summer before an internship
- Look out for ELP in career services around February 2014

Internship Recruiting
- Attend MTF and network there
- Take this opportunity to stand out and make connections
- General flow of recruiting: on campus interview > office tour > (dinner) > in office interview

Advice
- Get involved in organizations
- Reach out to professionals
- Network
- Distinguish yourself from the competition
