A Day in the Life: Our Lines of Service

What We Do

1. Assurance (Core Audit)
   - Quality audit and business insights
   - More than 84,000 Assurance professionals throughout the PwC global network of firms
   - Around 15,000 Assurance professionals in PwC US
   - 5 groups within assurance
   - Public sector, private companies and fortune 1000 companies served
   - Work with clients in over 13 industries

We’re a world-class practice

We’re separating from the competition…

- PwC has won the audits of more FORTUNE 1000 listed companies than other Big 4 Firms
- As of June 30, 2014, PwC audits 31% of companies listed in the S&P 500
- Our people are our greatest asset
  - 89% of people surveyed agreed they were “proud to work for PwC”

2. Risk Assurance (under Core Assurance)
   - Solutions are driven by dynamic global markets which require companies to take actions to successfully address business risks and opportunities
   - Professionals work across sectors and develop deep competencies which allow them to advise both audit and non-audit clients
   - Our goal is to build a sustainable $1.7 billion Risk Assurance practice within the next five years providing assurance and consulting services

3. Tax Service Line
   - More than 36,800 professionals across PwC global network of firms
   - Broad base of compliance and consulting

Tax Facts

- Tax professionals work in a team environment
- Tax professionals analyze tax provisions, review corporate structures, take plant tours, work with a company expatriates across the globe
- There are opportunities to travel
